

Aleah Chapin Workshop: October 2022

MATERIALS LIST

Surfaces

Please bring at least 4 (up to 6) hardboard panels or canvases no smaller than 8 x 8 inches and no bigger than 16 x 16 (get what feels comfortable to you in proportions you enjoy working with). We'll be doing a lot of paintings and I want you to have options if your work isn't completely dry the next day. The more the better!

Gesso each with at least 3 layers of acrylic primer and sand if necessary.

If you have the time and money I highly suggest you try oil primer on top of at least 2 layers of acrylic primer (<https://www.dickblick.com/products/winsor-and-newton-oil-paintingprimer/>). It can make such a big difference in the outcome of your painting and is a joy to work on! Note: never put oil primer on *without* an acrylic or similar base, as the acrylic seals your panel or canvas and protects it from eventual erosion.
